- Friday 13:30 - 15:30

Description

EXPANDO is a Czech company focused on e-commerce. We empower webstores and manufacturers to build their success as Amazon sellers. We deliver fully-outsourced solutions, with sales beginning just two weeks from signup. With over 15 years of personal experience selling online, we are eager to share our knowledge and skills to help your business grow. We are also the perfect partner for the online expansion of your clients.
