## IT Outsourcing Services

Melon is a software development outsourcing company based in Bulgaria and Macedonia.

Our talent spans from web to mobile, backed by a design department. We are especially good at building teams that closely match our clients' needed technological skillset and experience.

Currently Melon's team consists of more than 150 young and highly qualified professionals including web (.NET, PHP, Python, Ruby, SharePoint, HTML/JS, Angular, React) and mobile developers (iOS, Android, Windows Phone, PhoneGap, Xamarin, Adobe AIR), designers, interactive media specialists, and quality assurance engineers.
