Bilateral Meetings

- Friday 11:00 - 13:00
- Friday 13:30 - 15:30

Description

Production and trade of organic bee products as well as the collection and sale of bee venom (apitoxin)

Organization Type

Company

Country

Macedonia

Idea

I offer a bee poison and I'm looking for buyers for it

We produce organic beef products, as well as the bae venom (apitoxin) we collect in Macedonia and the region. We are looking for customers for him, which are pharmaceutical and cosmetic companies. We are also looking for investors who will invest in this project, which is in the advanced stage of realization.
